This new edition of *The Woman Question* brings together the most influential analyses of women's position in society to have emerged in the past decade.

The discussion encompasses both theoretical issues of identity and the economic and political status of women. It demonstrates the impact of gender not only on how the social world is organized but on how we understand and interpret that world. Recognizing the diversity of women's experiences, it pays particular attention to the interactions of race, class, gender and sexuality. Leading feminists explore the concept of gender difference, its impact on women and its representation in culture. They discuss the material realities of women's lives and how these ar
