Best-selling author T. A. Chase provides two tales that talk about loss and pain set against the backdrop of the music industry. In the opening short story, two men learn that losing something precious may end up being the best thing that happens to them.

In the second tale, a full-length novel, one rock star mourns the loss of a lover, leaving his best friend and bandmate to pick up the broken pieces of the man he adores.

While dealing with their sorrow, these four passionate individuals learn how strong they really are as long as they cling to the men they love. Previously available only in electronic format, these stories of Gay Erotic Romance have now been combined for a paperback edition! Included are the tales..... Be The Air For You (Rock star Rod Hannah is on top of his game, performing all over the world to sold-out arenas. Yet loneliness is a battle he fights along with his long-time addiction to drugs and alcohol. He beat those latter demons three years ago with the aid of his best friend, Hawk McLeod, a doctor who runs a clinic on the Navajo reservation in New Mexico. But when it comes to the loneliness, it's still a daily struggle for Rod. He's been in love with Hawk for years, but the timing had never been right for turning their friendship into something deeper and more serious. Hawk is the person Rod calls in the middle of the night, no matter where he is or what he's done,

and Hawk's always there for him. Now, when Hawk faces a life-changing crisis and needs him the most, Rod will drop everything to support the man he loves, hoping to show him how perfect they are for each other.).....
Shades Of Dreams (Stephan Colby is the lead singer of one of the hottest new rock bands, and his best friend is in the band to share the success as well. In addition, Stephan's madly in love. Yet Fate has a cruel way of kicking a man in the teeth, and when Stephan's world crashes down around him, he turns to his Rock, his bandmate, the one man who has always been there for him. Rocky Sanicily has always had Stephan's back, and they've been through a lot together. Rocky has also been in love with Stephan for many years, but has never found the courage to admit it. When Stephan suddenly loses the most important thing in his life, however, Rocky must do everything in his power to keep Stephan from giving up.

If he succeeds, will he be able to finally tell Stephan how he feels? And if so, will it bring the friends closer together, or tear apart their relationship forever?)
