It's no ordinary day for Timothy. It's a day full of excitement and adventure.

As he looks at himself in the mirror at school one day, he notices something strange. His tooth is missing. WHAT? Now, Timothy is on a mission! He has to find his missing tooth! With the help of teachers and friends in his neighborhood, he searches high and low for his tooth. Will he be able to find it? Or is it right in front of him all along?
