Tom is an openly gay man who decides to save a few bucks by moving to the ghetto, where he can live for cheap. He's worried about his safety, but he thinks he can handle it. Then he meets one local, a rough-and-tumble thug named Oscar, and Tom finds that he is in for something sexier than he ever expected! Oscar doesn't mind a little man-on-man action on the downlow, and his ex-convict friend Thumper has some ideas of his own as well. This story is bursting with manjuice and hardcore str8 black stud sex! This is an entry in "Str8 Studs Downlow", an open series exulting in the glory of macho straight men on the downlow. This story is part of the Dim'n'Low set for light to moderate kink. Check out the Dirt'n'Low and Dark'n'Low tales for rougher fare.
