Colors are everywhere in nature.

From a blue star fish to pink flamingos, children will find the many colors of the rainbow in these eye-catching photographs of animals in their natural habitats. Vibrant photography and simple, fun read-aloud text make this board book a perfect first look at nonfiction for very new and curious learners! The Picture This series pairs learning concepts with extraordinary photographs of animals in their habitats. Check out all four books in the Picture This series: Colors, Homes, Numbers, and Shapes!
