Bob Marley began writing lyrics in the Early 1960's, and he continued to produce them until his passing in 1981.

Critics have called these songs the best of the millennium.

Yet, few readers have ever read Marley's magic on the page. For the first time, his eldest daughter Cedella has made a selection of her father's most prophetic and personal poems, insights and conversational messages. Here are meditations to soothe the soul and thoughts to penetrate the mind. Here too, is an encapsulated life of Bob Marley, the man. In his spare writings we can see the ebb and flow of his journey as an artist and a humanitarian. Packaged for purse and pocket, this collection is sure to find a place in everyone's heart.
