Heavily expanded, revised and with a deeper delve into invaluable themes for CEOs, Influencers, Entrepreneurs, Managers & Leaders in any sector. Links in this kindle version are no longer clickable; purchase of the NEW edition is highly recommended. The Secret Collaborative Economy is the highly anticipated book for seriously focused and driven leaders, owner managers, sales professionals, CEOs, influencers and entrepreneurs. WHY YOU NEED THIS BOOK IF YOU HEARD about the possibility of achieving every single goal within your organization with PRECISION accuracy—Faster, with Capital Investment and More Profits, wouldn't you be anxious to implement it, IMMEDIATELY? IN JUST 7 CHAPTERS—You will embark on an expedition with a master; that will demonstrate an overwhelming sense of urgency to tap into the profits that your company is leaving to your competitors. Discover: •How to create new revenue streams from your existing competitors •Easily access new niche markets with little to zero cost—even abroad •Access MAJOR opportunities for growth through existing channels •Broaden your appeal with prospects and close more deals •Be in the right place ALL THE TIME with major players and prospects •Lead all activities to your goal attainment in a practical way Through these strategies, you can evoke the best responses to your marketing in order to TANGIBLY increase exposure and generate millions of dollars for your enterprise. INCLUDES an inspiring Foreword by Jim Stovall—New York Times bestselling author of The Ultimate Gift, CEO of The Narrative Television Network, and creator of 4 major motion movies with over 20 million books sold. A WARNING This is a book for winners, for champions, for visionaries and leaders around the world, who look out of their corner office and know that the planet is better because of what they and their organizations do. This book is for those who are offended by the status quo. Those who look in the face of success and—taking the bull by the horns—march into the future with charge, conviction, and intensity. This is an ACTION book for Opportunity Engineers who are not interested in merely reading another business book, and refuse to allow life-changing content to gather dust in their libraries, on their devices, or in their minds.
