Dear Reader, Hello, I am Francesca DragonSpire and I am a FREAK.

There, I said it.

The first step to recovery is admitting you have a problem. So here it is. My parentals are raging morons and my grandfather says I am proof, talent skips a generation, but I digress, I was supposed to be a fledgling vampire when I transitioned. How surprised was I when I literally sprouted wings and scales along with my shinny new fangs. The vampire council hates creatures like me, they killed the last lot. We Changelings were created to defeat the Demon Lord Salomor. Kendra and Trion, two of the last Changelings destroyed him, though his hand still remained. Someone got their mitts on it and want to bring the Demon back.

Hence, Changelings the sequel. I am kind of hoping to find a twelve step program for how to rid yourself of crazy fangers. Wish me luck! Frankie DS.
