At times like these families should be coming together, not tearing each other apart. On her remote North Queensland cattle station, Ivy Dunmore is facing the end of her days. Increasingly frail, all she holds dear is threatened not just by crippling drought, but by jealousy and greed – and that’s from within her own family. Can Felicity, who’s battling her own crisis as her fiftieth birthday approaches, protect her mother and reunite her family under the homestead’s faded iron roof? Or will sibling rivalries erupt and long-held secrets from the past break a family in crisis?
