Contains all three novels of the Cobra War series by New York Times #1 best-selling author Timothy Zahn. Cobra warriors: technologically enhanced and implanted with an arsenal of covert weaponry to fight against alien foes and evil humans. Three complete novels together for the first time: Cobra Alliance, Cobra Guardian, and Cobra Gamble. Cobra Alliance Earth had won its war with the Troft because of the Cobras, a guerilla force whose weapons were surgically implanted, invisible to the unsuspecting eye, yet undeniably deadly. Now the Moreau family, filled with Cobra warriors, is seen as a problem, not a solution. An urgent cry for help arrives from the secretive planet Qasama.

Is it a true distress signal, or a trap for the Cobras? Jin Moreau and her son Merrick must journey into danger to find out. Cobra Guardian One young Cobra must forge a new political order as a deadly alien enemy strikes. Earth has won a previous war with the deadly Troft and grown soft, but now the aliens are back! Jasmine Moreau Broom, descendant of a now-legendary Cobra family, must rally the Cobras to war after a devastating attack on every planet with Cobras on it nearly succeeds in wiping them out entirely. The key to victory lies with Jasmine's quest to uncover a secret that might turn the tide while searching on a world that is under full-on alien attack. Cobra Gamble The Troft invasions of Qasama and the Cobra Worlds has had at least one result: it has turned long-time antagonists into uneasy and unwilling allies. As the aliens battle to consolidate

their conquered territories, a small group of Cobras and Qasaman Djinn work together to create a victory that will rock the invaders to the core. Now one young Cobra must forge a new political order as a devastating alien enemy strikes—an enemy more deadly than any humanity has ever faced.

About Timothy Zahn: “Zahn keeps the story moving at a breakneck pace, maintaining excitement.”—Publishers Weekly “[Y]ou can count on Timothy Zahn for three things: clean, sparse prose; good pacing; and great action scenes. The first book in the Cobra War series hits all those marks in admirable style and makes for a quick, entertaining sci-fi novel.”—Blogcritics “[Conqueror’s Heritage] is another finely wrought space adventure . . .

[with] social, political and emotional complications, all of which Zahn treats with his usual skill.”—Booklist “Zahn paints every detail [in Angelmass] with gleamy realism . . .

scientific dialogue that streams with starship hardware and military trooper talk . . . immensely appealing.”—Kirkus Review
