Three never-before-collected additions to the series the A.V. Club called a “modern masterpiece,” showcasing the depths of depravity and the beautifully heart-breaking heights New York Times best-selling author Joe Hill and artist Gabriel Rodriguez have to offer. This special deluxe release finally reprints the oft-requested and long-denied Eisner-winning one-shot, “Open the Moon!” Plus the other long-sold-out one-shot, “Grindhouse!” PLUS, the even more hard-to-find IDW 10th anniversary Locke & Key tale, “In the Can!” And additional covers, behind-the-scenes photos and more.
