Healing from Incest tells the journey of a victim-turned-survivor, working with her therapist to find healing. Readers are pulled into the therapeutic process as Henderson relates her conversations and feelings as a victim of child abuse and Emerton interprets those feelings and describes interventions. For those who recognize this as their own story, this frank and genuine narrative will be reassuring in its descriptions of one woman's journey toward hope and healing. About the front cover: kintsukuroi(n.) (v. phr.) "to repair with gold"; the art of repairing pottery with gold or silver lacquer and understanding that the piece is more beautiful for having been broken.
