Beautiful Arizona Summers is determined to fulfill her mother's dying wish and realize her dreams-even if it means dancing at Bare Backed Belles, cheating at high stakes poker or running from a spray of bullets with a man she's given her innocence to. She'd do it all and over again to find love and keep her promise. Jace Forrester gets a thrill out of living a double life. Preacher's son by day, card hustler by night. Always after the big win, he can't resist Arizona's ultimate challenge. He may lose more than he bargained for-his heart.
