WARNING: This is a Paranormal Romance which includes a huge amount of steamy and adult scenes from the outset. Including menage themes.

Please only read if these themes do not offend you, 18+ In an apocalyptic world ruled by WereDragons, young Kira Wakefield found herself “invited” to spend time living with the heirs to the dragon throne, Mason and Alex Iverson. This invite came from the king himself and it was not an invite you could decline. Rumor had it that Mason and Alex were both looking for a mate before they could take the throne and this was partly true. However, there was a twist. The men were not going to be the ones to decide if they wanted her as a mate. It would be HER that would decide which of the men she wanted.

And whoever she chose would become king. And now Kira was set to live with 2 handsome weredragons who would stop at nothing to make her the happiest, most satisfied woman on the planet. This was going to be more fun than she ever expected... This is a Paranormal Menage Romance so only read if you enjoy scenes of this nature. Expect steamy scenes, intriguing plots, dramatic conflict and fiery DRAGON fun. Download now and enjoy!
