NOTE: Alternate Cover Edition A business trip.

Unlimited roaming. What can possibly come out of this combination? When Trevor and Cassandra are apart, the heart grows more than fonder.... Witness their wicked games as they keep their bond alive even when they are apart. NOTE: This story was originally offered as unedited bonus content in our newsletter. The retailer version is the final edited version of the story. Countermeasure: Bytes of Life and Bits of Life are tie-in/sideline series to the Countermeasure Series novels. These short stories and novellas give the readers glimpses into the day-to-day life of the Countermeasure characters. They are voyeuristic glimpses into their married life, proof that the heat of romance begins with I do.
