With his genre-defining work, Space Raptor Butt Invasion, Chuck Tingle proved that even gay dinosaur erotica could be nominated for a Hugo Award, the most prestigious honor in science fiction. Nobody could have expected what would happen when the story continued. Collected here is the entire trilogy of Chuck Tingle's history making Space Raptor Butt series. SPACE RAPTOR BUTT INVASION Space can be a lonely place, especially when you're stationed by yourself on the distant planet Zorbus. In fact, Lance isn't quite sure that can last the whole year before his shuttle pod arrives, but when a mysterious visitor appears at Lance's terraforming station, he quickly realizes that he might not be so alone after all. Soon enough, Lance becomes close with this mysterious new astronaut, a velociraptor. Together, they form an unlikely duo, which quickly begins to cross the boundaries of friendship into something much, much more sensual. It's not gay if it's a man and a dinosaur, is it? SPACE RAPTOR BUTT REDEMPTION After a year stationed on planet Zorbus, astronaut Lance Tanner and his raptor lover Orion return home to find that they are not greeted as heroes, but as villains. Unbeknownst to Lance, his space travels have been funded by the villainous Scoundrels Inc, a corporation that has deep ties to the illegal trade of unicorn tears and a destructive mining project at the core of the earth. Now Lance is on trial for a number of false charges; from having connections to the wicked Scoundrels, to being too strange for space. The opposing lawyer argues that space is only for serious

astronauts, and that love between a raptor and a man is giving space travel a bad name. Lance is arguing that there's room to be weird in space. More importantly, Lance is arguing for the idea of love itself; that just because something comes out of darkness doesn't mean it can't become a beacon of light. Of course, this all culminates in a hardcore dinosaur on astronaut pounding that will have your jaw on the courtroom floor!

**SPACE RAPTOR BUTT ASCENSION** Soon after blasting off on their mission to find refuge for the people of Earth 1 on the dinosaur inhabited Earth 2, Orion and his space raptor lover Lance find a spaceship stow away, the notorious CEO of Scounrels Inc, Vam Dox.

Vam claims that his intentions are pure, but it's hard to trust such a sad, strange man. After landing in Hugona, the planet capital of Earth 2, our heroes restrain Vam Dox and head off to secure an important diplomatic relationship with the pterodactyl president, but that's when all hell breaks loose. Soon, Vam Dox is storming the capital with a band of rabid dogs, and Lance and Orion are wrongly taking the blame! Fortunately, Lance and Orion know that the only cure for evil this strong is to prove their love in a hardcore gay encounter at the steps of the capital building. When the smoke clears, will Vam Dox be revealed as the super villain that he claims to be, or a meek, lonesome manbaby who is starved for attention?
