Exotic intrigue in Uttaku and Old Harkuna Set in the nation of Uttaku (similar to the Byzantine Empire), which is occupying the kingdom of Old Harkuna (similar to the lands of Arthurian legend). If the player frees the king of Old Harkuna from his prison in The Plains of Howling Darkness, the king can reclaim his land, end the Uttaku occupation and restore prosperity. There is also an abandoned castle in Harkuna which the player can rebuild and claim for himself. Most other major quests involve undertaking tasks for the Uttakin government (the titular Court). The book takes its title from Uttaku's court of ruling nobles, who wear elaborate masks as a status symbol and to hide their faces.

The king himself is born without a face at all. 723 sections, ISBN 0-330-34431-5
