RANGER FOR HIRE Willow McMurtry's writing career could end before it even begins -- un she learns the ways of a Texas Ranger. She can't write tales about Ranger life if she's constantly making mistakes, so she needs handsome Texan Gage Newcomb to teach her.

Willow just can't tell him the true purpose behind her request. Gage agrees to teach Willow how to shoot, ride and lasso -- but only to keep her close. An outlaw who's cost him dearly is still on the loose. And the hidden lawman trusts no one, especially not a feisty woman who might be working with his foe. But as the cowboy ons progress, Willow may convince him to share all of his secrets -- and his heart -- with her.
