As the magical holiday season is disrupted with an afternoon of horror, it becomes apparent that the Legions have begun their uprising around the globe, and Ana does her best to stay strong even though her world has been shattered. It is up to Ana to find the strength within and not fall prey to the dark side as she begins her chase to reclaim what's rightfully hers. Realizing that Ana's visions alone are not enough to protect them, her family begins her training immediately before she is targeted once more.

The Legions will not quit until they get what they want, and they have made it clear that mortals will not be spared, leaving Ana little time to figure out what it is the demons are after. As Ana balances her time between chasing after her destiny and spending her time relearning how to fight demons, she learns something about her past that could change why she's fighting for anything at all. Clues continue to unfold in the form of yellowed letters she finds from Athen buried within an old Tudor home, and her future is signalled in a lone, white rose left for only her to see giving her the strength to persevere. She is determined to not give up faith that she will have it all once more.
