Home Or Her Bear is a standalone story set in Bear Bluff Bear shifter Melanie, has not lived in Bear Creek long, she moved there with her brother, Kian so that they could find a better life. But they have been welcomed by the local community and her brother is already happy settled down with his bride, Alli, who Melanie adores. So when Melanie discovers who her mate is, she doesn't want to face up to her new future, no matter how hard it is to deny. She has found a home in Bear Creek and doesn't want to leave.

But when Taylor, a Bear Bluff bear, rescues her, when he car crashes in the snow, she can no longer deny what is between them. But when he clashes with her brother, things get more complicated. She only hopes she can find a way to work out how to choose - it's either her home, or her bear. But whichever choice she makes, can ever truly be happy? For adults only, contains scorching hot sex scenes.
