For the story of the Great War is also the story of the women... Amba lives for revenge, but circumstances and men conspire against her. Will her daughter bring her the only salvation she seeks? Kunti stakes all to free her brother Vasudev and his wife Devaki. Yet it is the groom choosing ceremony that will define her life. Gandhari too has come of age, and is faced with a difficult choice: she must marry the blind prince of Hastinapur if she is to save her kingdom from the certain ruin it faces due to Hastinapur's deceit. In the background, Bhishma pulls the strings, making alliances and marriages, devising new strategies, ever increasing the might of Hastinapur. This is the Mahabharata like you've never seen it before.
