**** Warning: This is a rough, deleted door from THE BLACK ROOM serial.**** Once you enter, anything goes. No fantasy--however dark and dirty and depraved it may be--is forbidden. You have no past, no inhibitions, no morals...and no memory. All you have to cling to is the memory of a scorching touch, a searing kiss, the wet slide of skin on skin, and the heat of breath across your flesh. Step forward... Turn the knob... Step through into THE BLACK ROOM: DELETED DOOR.
