Riley Anderson comes to you because she has no other choice. Her fiancé, an investigative journalist, has been kidnapped by the mob, and the police will do nothing to find him for twenty-four hours. By then, she's sure Leo will be dead. Something is seriously wrong, you can sense it. But you're a newbie Private Investigator with little experience and few friends to assist you. Can you save the day, or will your inexperience get both Leo and Riley killed? You are the only one who can locate the clues hidden in the twelve short stories, plucked from four to five star romance novels by bestselling authors. You are the only one who has any chance of succeeding. Will you take on the case? Read the stories, watch the mystery unfold, collect the clues, solve the puzzle and get the chance to win great prizes.

It's easy and lots of fun!?
