Documentaries fascinate us because they offer a rare look into the private lives of public figures, and E True Hollywood Story is no exception. Its episodes cover topics such as Hollywood secrets, scandals, murders, mysteries and "where-are-they-now?" looks at former stars. This Armchair Guide offers behind the scenes footage of musicians ranging from Liberace to Wayne Newton. Project Webster represents a new publishing paradigm, allowing disparate content sources to be curated into cohesive, relevant, and informative books.

To date, this content has been curated from Wikipedia articles and images under Creative Commons licensing, although as Project Webster continues to increase in scope and dimension, more licensed and public domain content is being added. We believe books such as this represent a new and exciting lexicon in the sharing of human knowledge.
