Fiction. THE MAN IN THE STRETCHER brings together 40 previously uncollected stories by this avant-garde playwright, poet, and fictionist, one of the most relentlessly and funnily experimental writers of our time. "Kenneth Bernard is one of the most gloriously antic fiction writers we possess. Think of Salvador Dali or Giorgio de Chirico having written stories instead of painting and you are half way there. His pages have simultaneously awed and delighted me for years"--David Markson.
