Indulge yourself in this naughty, steamy standalone Interracial BWWM Pregnancy Romance between a BBW and her billionaire boss. Aleesha Mayfield and Cole Turner have had this strange attraction ever since she became his right-hand woman, but unfortunately for Cole, Aleesha was still hitched back then. And even though her divorce was welcome news to him, he does not make a move on her—at least not yet. After four years of flirting back and forth, Cole finally moves in for the kill during the company's fifth anniversary party. For Aleesha, Cole is what she's been looking for all her life.

He's something different, beautiful even. Soon enough, she realizes that she is expecting Cole's baby... but are the two ready to start a family together? **WARNING:** This book contains mature themes and language.
