Martin Short is the perfect average. He always makes sensible decisions and follows the expected path through life. Until now. Martin's life is about to turn upside down. The arrival of Giorgio, his Italian playboy neighbour, will set Martin on a path towards insanity. His life will never be the same, but is this a good or a bad thing? Martin becomes obsessed with Giorgio and starts to entertain paranoid delusions. He convinces himself that Giorgio is a malignant beast, plotting to destroy him. His orderly life starts to fall apart with hilarious consequences. But underneath the funny lunacy of Martin's irrational hatred for Giorgio lies a very serious problem. Something that Martin has locked up inside himself for a very long time. Martin has a secret so weird that he has managed to forget it. Eventually, in the grip of madness, Martin decides that Giorgio must die. But Giorgio is not going to be easy to kill... Join Martin on a journey that will be funny, exhilarating and uniquely strange. Find out why he is a man waiting to explode.
