Faith Sullivan's complete New Adult contemporary romance trilogy.

Three full-length novels. Heartbeat Katie and Adam are afraid of love. She carries the scars of a first kiss gone terribly wrong. He uproots his life to flee the stinging betrayal of an ex. When trust is no longer an option, all romance is suspect. As a young paramedic, Adam rescues people for a living but cannot save himself. Katie, just out of high school, struggles with a tortured home life she cannot escape. Everything changes when Katie hops into the front seat of Adam's ambulance. Overwhelmed by what they are feeling, neither possess the confidence to make the first move. They walk away from each other, full of regret. To find her, Adam risks his future. To be with him, Katie sacrifices her security. Little do they know, what little time they do have, is being measured by a heartbeat that is slowly dying out. Come What May Adam is through with love. He unravels blaming himself for what happened with Katie.

His final moments with her echo through his nightmares. She owns him body and soul. To dull the pain, Adam invites a string of women into his bed. Fueled by alcohol and desperation, his meaning hook-ups provide little comfort. When he closes his eyes, it's Katie he sees. The only one who helps to ease his guilt

somewhat is Jada. But as his new ambulance partner, Adam considers her off limits. He doesn't want to get seriously involved with anyone, much her. Yet he can't stop fantasizing about the feel of her caramel skin against his. Despite his intentions, Adam's bond with Jada deepens as they respond to a series of emotional calls. Their mutual attraction becomes undeniable.

But how can he give his heart to Jada when it still belongs to Katie? I am Yours Adam is at a crossroads.

He has Katie on his mind and Jada in his bed. Now with the ultimate choice before him, he must decide between fantasy and reality. Katie's his dream girl, but Jada's his best friend, his partner. As a paramedic, he's supposed to save lives, not wreck them. Yet his failure to commit leaves a trail of heartache in his wake. Things come to a head at his brother's wedding when a surprise announcement leaves Adam scrambling to pick up the pieces. Sure, women find his shaggy blond hair and aquamarine eyes irresistible. But to him, sex is nothing more than a means of escape ... until it turns into a psychological trap. His mind is telling him one thing, while his heart is beating another. He's not sure what he wants when it comes to a serious relationship.

Sorting out his feelings, he finally comes to a startling realization. He is capable of love. But what if it's too late?
