Fascinating time capsule from the 80's Have you ever wanted to read someone else's diary? Would you like to experience travelling in Asia without leaving home? Then this book is for you. Fred's Diary 1981 is a fascinating insight into a young man's travels around Asia in the early 1980's.

This is a unique opportunity to start delving into Fred's daily diary, which details the 158 days he spent travelling around Asia.

In this first part of the book you can follow Fred during his travels to Hong Kong and Thailand. He goes from working as a film extra for Chinese TV to spending time in a Thai jail. This special edition is being published in parallel with the release of the first part of the audiobook on ACX. The entire Fred's Diary 1981: Travels in Asia is already available on Amazon if you want to read about Fred's entire trip, which also includes his adventures in India and Nepal.
