Owen Jenkins had been dominating at the top of his Naval career when it all came crashing down... Owen Jenkins was a soldier's soldier. He lived and breathed his career as a Navy Seal Sharpshooter. Nothing made him happier than being in the field. Julie Creighton has spent years putting together a career she can be proud of. Now, a professional slight is leaving her in an unexceptional clinic geared toward veterans and active military duty with PTSD. When their paths cross unexpectedly, things get complicated, for the both of them. Will they be able to overcome everything while keeping their careers, and selves, intact? **DOWNLOAD NOW** to find out what lies ahead and experience the **INTENSE** emotional highs and lows contained within this story! Get this book **FREE** with Kindle Unlimited! **AUTHOR'S NOTE:** This book also includes 4 **BONUS STORIES**. All stories are stand-alone with an **HEA**, so no cliff-hangers! The stories contain mature themes and language, and are intended for 18+ readers only.
