Kyle's music blog gets a boost from rumors about his affair with a closeted rock star, but his followers have no idea of the reality of his life on the streets of Vegas. Men? He only lets them get close enough to pick their pockets. Until Bryce-- a wildcatter who struck it rich in North Dakota. He wants one last wild weekend without the bodyguards hovering. The hustler with the sexy English accent seems perfect for no-strings sex. But now Bryce can't get Kyle out of his head.

Especially since that tempting smile is suddenly on every other magazine cover... Kyle can steal a heart as easily as a precious sapphire. But can he keep the heart he stole once the truth is out about his past? If you like contemporary gay romance with real characters in a setting that's a little glitzy and a little gritty, you'll love The Runaway Model. This full-length 75,000 novel is a complete in one volume, and it's absolutely cliffhanger free.
